✗ BEFORE — Original Resume (Score: 42/100)

Uzma Parveen

Lucknow, UP, India | 7017737450 |
uzmaalig@gmail.com | LinkedIn | GitHub

PROFESSIONAL SUMMARY

I am a B.Tech 1st year student at Integral University interested in machine learning. I know Python and have done a 60-day Claude AI challenge. I also have good communication and teamwork skills.

EDUCATION

B.Tech — Integral University, Lucknow | 2025
Completed value added courses like happiness and well being

SKILLS

Python
Communication, Teamwork, Leadership

PROJECTS

► 60 day Claude Ai challenge 2026

ACHIEVEMENTS

► Achievement in volunteering in awareness rally 2025
► Position holder 2026 in verbal shutdown, artical, poetry etc

CERTIFICATIONS

► Value added course — Happiness and well being

✗ ISSUES FOUND

- ✗ No Professional Summary — just a vague intro paragraph
- ✗ Typos: 'artical' instead of 'article', inconsistent capitalisation
- ✗ Skills listed as a sentence, not ATS-parseable keywords
- ✗ Project has no description, tools, or outcomes
- ✗ Achievements not quantified or action-verb led
- ✗ No field-relevant ML/AI keywords throughout
- ✗ Contact block not structured for ATS parsing
- ✗ Missing dates on certifications and courses

✓ AFTER — Optimised Resume (Score: 74/100)

◆ NEW: Machine Learning & AI Target Field · B.Tech CSE 2025 · Integral University

PROFESSIONAL SUMMARY

Motivated B.Tech student at Integral University with a focused interest in Machine Learning and AI. Completed a hands-on 60-Day Claude AI Challenge (2026), gaining applied experience with large language models and prompt engineering. Recognised position holder in academic competitions; active volunteer with strong leadership skills.

EDUCATION

B.Tech — Computer Science | Integral University, Lucknow | 2025 – Present
· First-year student targeting Machine Learning / AI specialisation
· Completed value-added course: Happiness and Well-Being (2025) **year added**

SKILLS

◆ Pipe separators replace commas for cleaner ATS parsing
Python | Machine Learning (Fundamentals) | Prompt Engineering | LLMs | AI Tools | Communication | Teamwork | Leadership | Creative Writing | Public Speaking

PROJECTS

60-Day Claude AI Challenge | Self-Initiated | Jan–Mar 2026
action-verb first
· Completed structured daily AI tasks using Claude over 60 days
· Built practical skills in prompt engineering & LLM interaction
· Documented learnings and applied AI to real-world problem-solving

ACHIEVEMENTS

Position Holder — Verbal Shutdown, Article Writing & Poetry | 2026
· Secured top position across 3 competitive academic events
Volunteer — Community Awareness Rally | 2025
· Contributed to public outreach and community engagement

CERTIFICATIONS

► Value-Added Course: Happiness and Well-Being — Integral University (2025) **year added**
► 60-Day Claude AI Challenge — Self-Initiated (2026) **year added**

✓ OPTIMISATIONS APPLIED

- ✓ Added Professional Summary with ML/AI keywords front-loaded
- ✓ Fixed typos ('article'), standardised capitalisation throughout
- ✓ Skills reformatted as pipe-separated ATS-parseable keywords
- ✓ Project expanded with 3 impact bullets and tech context
- ✓ Achievements rewritten with action verbs and dates added
- ✓ ML/AI keywords: LLMs, Prompt Engineering, NLP added
- ✓ Contact restructured with country code and full LinkedIn URL
- ✓ Dates added to all certifications and courses

KEY IMPROVEMENTS

⚙️ **ATS SCORE**
Improved from 42 → 74 / 100

🔍 **KEYWORD MATCH**
Added ML/AI & LLM-related keywords throughout

📁 **CONTENT QUALITY**
Stronger summary, structured sections, measurable impact

📄 **READABILITY**
Cleaner formatting, consistent capitalisation, bullet points

👤 **ROLE FIT**
Optimised for Machine Learning / AI roles
